

DELHI PUBLIC SCHOOL, GURGAON

CIRCULAR

Dear Parent,

We are pleased to offer an exclusive 5 day 'Singapore International Science Camp' (SISC), an advanced science program conducted in Singapore for high school students. This inspiring program allows participants to showcase the developments in science and build insight into technologies and scientific developments that will transform our future. The program will be held at the campus of National University of Singapore (NUS), which is the top university in Asia. The students will therefore get an experience of living and learning at the top global university.

In the program the students are involved in hands-on workshops like;

- (Genetic Engineering) Surgical Simulation Workshop
- Learning 3D Modelling Software and 3D Printing Techniques
- Internet of Things (IOT) Experiencing Virtual Reality
- Science Quiz Chemistry Workshop

The SISC program provides the students with the right motivation and inspiration to explore sciences and gives them a unique opportunity to engage with University professors, researchers and industry experts to understand the future of science.

**Program Fee: Rs.\* 1,35,000/-** (Includes: Air Travel, stay, transportation, all meals, entry tickets, workshops as mentioned, medical insurance, visa fee, GST and educational collaterals.)
