

Jungle Safari to Ranthambore

Summer is the best time to go to the Wild. Animals are easily sighted near the water bodies. Hence, the school had organized a 3-day Jungle Safari to the Ranthambore National Park for the students of Middle School from 20th May 2016 to 22nd May 2016.

The visit commenced with a riveting talk by a Naturalist on Ranthambore forest and its wild life. In the Jungle Safari ,students had a close glimpse of the flora and fauna .It was an exciting experience for the students as they got an opportunity to see animals like spotted deer, sambar, blue bulls, wild boars and rare species of birds. They were fortunate to have a spectacular view of tiger, tigress and their cubs in the wilderness.

Dancing on the rocking numbers played by the DJ in the evening was enjoyed by one and all .These sights and moments will remain engraved in the minds of the students as well as the teachers for ever.
