

## REPORT ON STORY TELLING

*The purpose of a storyteller is not to tell you how to think but to give you questions to think upon.*

Storytelling is an art which stirs the imagination of the listener. A storytelling session was conducted by Mr. Abhishek Singh for the students of Class V, on 13<sup>th</sup> September, 2018. He is the author of 'Krishna- a Journey Within', the first graphic novel to be published in the American comic book history by an author of Indian origin.

He narrated stories from the life of Lord Krishna from his graphic novel. His expressive narration added life to the stories. His storytelling skills explored and celebrated the wide range of lessons one can learn from nature. Through his interactive session, he encouraged students to reconnect with birds, animals and Mother Earth.
