SPACE CLUB TRIP TO SARISKA, ALWAR (RAJASTHAN) ON 18TH NOV'15

Students of Space Club (VI-VIII) of DPS Sector- 45, Gurgaon went for an Overnight Sky Observation Camp to Sariska, Alwar (Rajasthan) on 18th Nov'15.

At the Astroport students unravelled the mysteries of the universe. They learnt the ways to use a telescope, planisphere and latitude finder. They observed the Moon and various Constellations through telescope and heard and enjoyed stories related to them. Students also enjoyed observing the planets of Solar System like Jupiter, Venus and Mars early in the morning.

It was a very knowledgeable, interactive and enlightening session. Students thoroughly enjoyed their stay at Sariska which transported them to the world of Space.
