

Jungle Safari to Ranthambore

Since summers are the best time to go to the wild as animals are easily sighted near water bodies, the school had organized a three day Jungle Safari to the Ranthambore National Park for the students of Middle school from May 20th, 2018 to May 22nd, 2018.

The visit commenced with an engrossing slide show on Ranthambore forest and its wildlife by a naturalist. The slide show gave a close glimpse of the flora and fauna of Ranthambore and what the children could expect on the following day's jungle safari. The early morning Canter ride to the jungle was indeed successful as the students and teachers had a spectacular view of a majestic tiger in the wilderness.

Evening was the time to enjoy. Children danced to rocking numbers played by a DJ followed by a lavish dinner. The trip to Ranthambore will indeed remain etched in the minds of the students as well as the teachers.
