### **INTERACTIVE SESSION FOR ADMISSION TO INTERNATIONAL UNIVERSITIES**

Delhi Public School Gurgaon, on Monday, 23<sup>rd</sup> October 2017 organised an interactive session for the parents of students studying in classes X and XI. It was presided over by Mr. Abhishek Gupta, Director of The Princeton Review and Scorex, who has successfully guided and counselled students for admission to international universities across the globe.

He primarily focussed on two major aspects, which are admissions abroad and admissions to various universities in India. He highlighted the changing professional scenario world-wide and the preparedness required for the same, beginning from class X onwards. The importance of skill enhancement and profile development was pinpointed and underlined.

Mr. Gupta gave valuable insights into preparation for standardised tests required for admissions abroad as well as methods to cope with the CBSE Board exams. He explained the requirements in the admission documentation of foreign institutes. It was an enriching and fruitful session as parents had the opportunity to clarify their doubts and apprehensions regarding the procedure for admissions to Indian and foreign universities.
