

REPORT ON SPECIAL ASSEMBLY

GURUPURAB

‘God is one but he has innumerable forms. He is the creator of all and he himself takes the human form.’

A special assembly to mark the occasion of Gurupurab was presented by the Jhelum house of the Junior wing on 20th November, 2018. The assembly commenced with an inspirational thought which highlighted the love for God.

The thought was followed by the melodious choir singing a song which conveyed the message ' God is one.'

The main attraction of the assembly was the skit which enlightened the significance of Gurupurab and various rituals associated with this festival. A spiritual ambience was created by the ‘Shabad’ sung by the students dressed in traditional attires.

The Headmistress of the Senior wing, Ms Arpana Gupta , in her address, enlightened the students with the values and morals of Guru Nanak Ji .
