

## DILLI DARSHAN REPORT

### CLASS V

*What we learn with pleasure, we never forget*

An educational trip is a wonderful opportunity for students to take a break from the classroom and to have some fun and excitement in an entirely new environment while learning at the same time. To give our students a new surrounding to awaken their interest to learn, an educational trip 'DilliDarshan' was organized on 9th Nov'17 for the children of class V.

The first stop was the splendid Rashtrapati Bhawan museum. The museum showcases a collection of relics associated with each of the past Presidents of India. Students were greatly inspired by the historic scenes of the freedom struggle displayed through photographs in the museum. Students loved the walk with Mahatma Gandhi in virtual reality.

The next halt was the Nehru Memorial Museum .The Museum portrays the life and work of Pandit Jawaharlal Nehru who was the leader of India's struggle for freedom, the architect of modern India, and a passionate champion of world peace. Students were awed by Nehru's rich and complex personality and were quite intrigued by the intimate glimpses of his personal life. Indira Gandhi Memorial Museum was the last venue that the students visited in the trip. The museum is the residence of the former Prime Minister of India. Children saw a collection of rare photographs of the Nationalist movement, the personal moments of the Nehru-Gandhi family and her childhood.

Children came back bubbling with excitement carrying with them lifelong memories of the unlimited fun they had during their day long journey.
