

Workshop on Cancer Awareness

A workshop on 'Cancer Awareness' was held on 26th Nov '18 for the teachers of Shiksha Kendra by Ms Ranjeet Kaur and Ms Nikita of Indian Cancer Society. Teachers were made aware of the symptoms and precautions of Breast and Cervical cancer. To lead an ailment free life emphasis was laid on periodical check ups.

Recently a vaccination-HPS has been introduced which if given to girls before they attain puberty, can prevent them from various types of cancer.

The app - m Shakti gives complete information regarding this disease. This app was downloaded in the mobiles of all teachers. A bag of goodies was also given to each teacher.
