

# Jungle Safari to Ranthambore National Park

Summer is the best time to go to the wild. Animals are easily sighted near water bodies. Hence, the school had organized a three day Jungle Safari to Ranthambore National Park for the students of Middle School from 22<sup>nd</sup> May'17 to 24<sup>th</sup> May'17 .

The visit commenced with a riveting talk by a Naturalist on Ranthambore forest and its wildlife. Students had a close glimpse of the flora and fauna. It was an exiting experience for the students as they got an opportunity to see many wild animals and rare species of birds. They were fortunate to have a spectacular view of tigers and a tigress in the wilderness.

Dancing on the rocking numbers played by the DJ in the evening was enjoyed by one and all. These sights and moments will remain etched in the minds of the students as well as the teachers forever.
