

Talent Fiesta – Middle School

‘Talent Fiesta is an opportunity for the amateur performers to showcase their creative talent.’

The Middle School organized Talent Fiesta for classes VI, VII and VIII. It provided a platform to the students to showcase their talent in different fields. Various activities like AdMad, Nukkad Natak, Fusion Dance, Pen A Poem, Storyboard, Just A Minute etc were organized for the students. Children also made vegetable shopping bags from old t-shirts. They also created beautiful craft items as a part of the best out of waste craft activity. Students participated energetically in the events.
