

Assembly Report – VI E

The students of class VI E presented an assembly on the topic ‘Save Water’ on 17th August, 2017. They presented an inspiring ‘Nukkad Natak’ focusing on the need to save water and hence save our planet. Children showcased the different ways in which all of us can contribute in saving water by doing our bit in our day to day lives.

The Headmistress, Ms. Dipinder Kaur appreciated the children on the assembly and also presented awards and certificates to the children who had brought laurels to the school.
