DPS Gurgaon in collaboration with team ITIHAAS, pioneer in Heritage Education, organized an educational trip for the students of class VIII, to one of the most symbolic and historic gates of Delhi, Kashmere Gate on 28th October, 2017. The walk started with the students being taken to the first church to be built in Delhi, St James Church. Then the students were taken to Kashmere Gate where they were appraised about the gruesome violence that had erupted around this gate. They were exposed to interesting aspects of the Mutiny of 1857. The students also visited the Nicholson Cemetery. The sightings of the monuments along with exposure to stories, brought students closer to what they read in textbooks.
