

ASSEMBLY REPORT : CLASS IX

Concentrate all your thoughts upon the work at hand. The sun's rays do not burn until brought to focus.
Alexander Graham Bell

School assembly inculcates values, responsibility, care, consideration for others and team spirit among students. The students of Class IX presented the assembly on , 29th April 2021 on the theme “Value of being focused”. The possibility of change and movement is what will open new doors of opportunities and success.

The assembly started with positivity of the morning prayer and was followed by the news headlines and the thought of the day. The students worked together as a team and presented a melange of thoughts, ideas, expressions and beautiful self-composed poems.

It was a well presented and inspiring assembly .The students learnt the benefits of being focused in life and concentrating on our objectives in life. The metaphor of life being a camera is obvious, we just need to focus on our goals and capture the perfect click.
