

REPORT ON SPECIAL ASSEMBLY

BAISAKHI

‘You must give to get. You must sow the seed before you can reap the harvest.’

A special assembly was organized on 12th April, 2024 by Jamuna House for the students of Classes IV and V. It was conducted with an aim to apprise the children of our rich culture and heritage and to be grateful to the farmers for their tireless efforts.

The assembly was conducted by the Heads of the Senior School, Student Council. The Head boy, Mrigank Mukherjee and the Head girl, Prabhmeet Kaur asked the students various questions related to the festival, Baisakhi and gave them insights regarding its different aspects. The students presented an inspirational thought, followed by an informative skit highlighting the significance of Baisakhi. It marks the end of the harvest season and is an occasion of tremendous joy and festivity for the farmers. The skit also educated the students about the fact that Baisakhi commemorates the formation of the Khalsa Panth by Guru Gobind Singh in 1699. The audience was enthralled by the spectacular performance of the participants as they enacted with great confidence and impressive dialogue delivery. A vibrant foot tapping Punjabi folk dance mesmerized everyone and they enjoyed it thoroughly.

The Headmistress, Ms. Laveena Hemrajani, addressed the gathering with her inspiring words and applauded the participants for their powerful performance. She also urged the students to be grateful to everybody around them especially the farmers who provide us with food.
