

Report on CBSE-IBM AI enabled Sewa programme

A workshop on Artificial Intelligence organized by CBSE in collaboration with IBM was conducted on 24th Jan'2020 in the school premises. 48 Students of Class XI attended the workshop. Ms. Ritu Arora, Ms. Chanchal Chandna, Ms. Ruchi Baweja and Ms. Sapna Gupta also attended the workshop. The resource persons Ms. Shubhalakxmi Borah and Ms. Shruti Subramanian covered AI concepts with the help of various examples and videos. Concepts of machine learning, deep learning, computer vision and data processing, big data and data science were elaborated with relevant examples. Students were asked to work in groups on a project identifying any global issue/problem for which they think AI can help. They were asked to submit their project ideas. It was a very interactive and informative session.
