

## Night Camp

*‘Some of the best moments are never captured by cameras but are cherished with the best people.’*

The school is a home away from home. To make the children savour the warmth of a family at school and to develop the social and life skills, DPS Gurgaon organized a night camp for the students of Class V on 20<sup>th</sup> February 2020 in the school premises.

The camp kick- started with an array of activities like decathlon, pick-o-win and basket the ball. The students enjoyed their independence and time away from home. Sumptuous evening snacks were relished to the core. Photo booth was thoroughly enjoyed by the children as it left them with lasting memories of the camp. The puppet show by the resource person Ms. Rekha Vyas captured the attention of the children and opened doors to their imagination.

The Director Principal, Ms. Aditi Misra added warmth to the evening by her loving and gracious presence. The creative skills of the students were a treat to watch as every class presented a mesmerizing performance in the auditorium. As the cool breeze and a starry night set in, it was time to sit by the bonfire with their friends. The students danced and swayed to the lively beats till late evening. Sound of

laughter and giggles filled the air as the students enjoyed with their friends and teachers. The night was wrapped up with more fun and laughter over a hearty dinner. After dinner, the children retired to their rooms were pleasantly surprised to receive a night snacks pack.

The next morning saw the children with renewed energy, all refreshed and rejuvenated. After a refreshing breakfast, the children reluctantly left the school. The night camp helped the children to become independent and gave them an opportunity to bond well with their peers and educators. Students took with them a farewell goody bag along with a lifetime of memories to cherish.
