

ASSEMBLY REPORT -CLASS IX

Special assemblies pave the way for students to rejuvenate their spirits, remain rooted to moral values and unleash their vitality. The students of Class IX presented an assembly on the theme “Value of Being Focused” on 29th June 2021.

The students worked together as a team and showcased an assortment of ideas, thoughts and a beautiful self-composed poem. The well-planned assembly established the fact that to think effectively, one needs to focus effectively. The metaphor of life being a camera was quite apt. One just needs to focus on one’s goals and capture the perfect click of success.

The Director Principal, Ms Aditi Misra, Vice Principal, Ms. Santvna Thadani, Head mistress, Ms. Arpna Gupta and Senior mistress, Ms. Nishi Dhanjal graced the occasion. The principal addressed the students and apprised them about the process of CBSE registration. She emphasized that class IX is the beginning of a beautiful journey and they should devote time to make an academic plan for themselves which would help them to gain a better understanding of their interests and identify possible careers. She addressed their queries and gave them tips about living through a lockdown.
