## SAVE A WATT

*Spare a Watt, Save a Lot.*

‘Save a Watt’, an awareness walk on conserving electricity was conducted by the students of DPS Sec 45, Junior Wing for their peers on 28<sup>th</sup> March 2024. The enthusiastic eco-warriors raised impactful slogans on conservation of power for a sustainable future. They also suggested simple ways and habits to reduce electricity wastage.

The activity motivated the students to use electricity thoughtfully, in school and at home, thereby instilling in them a valuable life skill.

The energetic students were appreciated and encouraged by the Headmistress, Ms. Laveena Hemrajani and the Senior Mistress, Ms. Geetu Khanna for their participation in the worthy initiative.
