

Report on Award Assembly

'Dreams are not those which you see while sleeping, it's something that does not let you sleep.'
Dr. A.P.J. Abdul Kalam

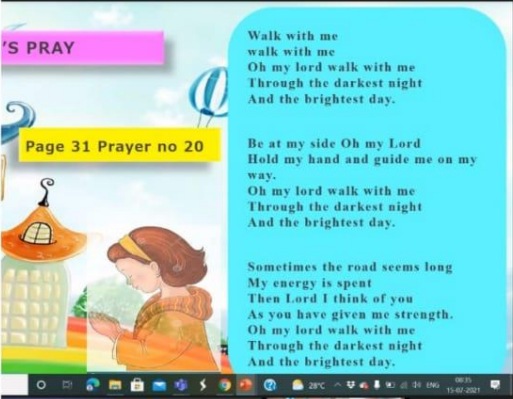

It is rightly said that dreams do not work unless you do. Just dreaming is not enough, we need to put in sincere efforts to achieve our dreams. Success can only be achieved with determination and commitment. To applaud the efforts of the students who took the current situation as a challenge and proved their mettle, a special award assembly (session 2020-21) was conducted virtually on 15th July, 21 for classes III, IV and V.

The young learners conducted the assembly on the topic 'Dreams'. An inspiring 'Thought for the Day' followed by an explanation of what dreams are, gave a beautiful start to the assembly. The students well explained that 'Dreamers are Achievers'. We can achieve our dreams through effective goal setting, wherein we need to focus on adequate efforts, clear vision and self-discipline. The students then very effectively explained the success stories of some famous people whose lives inspire all to keep striving and reach for the stars. The assembly culminated with the presentation of a melodious song 'I Have a Dream', highlighting the significance of dreams. Certificates were awarded to the young achievers of the Junior school for their hard work and dedication.

Page 31 Prayer no 20

Walk with me
Oh my lord walk with me
Through the darkest night
And the brightest day.

Be at my side Oh my Lord
Hold my hand and guide me on my
way.
Oh my lord walk with me
Through the darkest night
And the brightest day.

Sometimes the road seems long
My energy is spent
Then Lord I think of you
As you have given me strength.
Oh my lord walk with me
Through the darkest night
And the brightest day.
