Report on Itihaas Summit

'Travel sparks our imagination, feeds our curiosity and reminds us how much we all have in common'

Theme:12th Annual ITIHAAS Summit

REPORT: Learning as we travel

DATE: 29th January, 2020

ITIHAAS hosted its 12th Annual Summit on 29th January, 2020 at India International Centre on 'Learning as we travel'. Ms Sadhana Bhalla, Principal of Mira Model School and Mrs Veena Goel, Principal of Apeejay School, Pitampura took a session emphasizing on the importance of travelling and how the children of today's generation can learn different aspects of life through it. They focussed on the importance of heritage ecosystem and creating inheritance learning spaces across cities. They drove to the point that education has to be authentic and should be integrated in terms of science, water, nature and ethics. Thereby linking the current to the past and making it experiential for today's generation. The teachers ought to be the universal academic voice. The other speakers were Mr. Arun Pillai, Chief Strategy Officer, NSDC, Mr. Deep Kalra, Founder and Group CEO of MakeMyTrip and Mr. Gaurav Gogoi, Member of Parliament, Lok Sabha, Assam. The ITIHAAS curriculum which is being transacted across the country were shared. Learning, where the exploratory nature of this curriculum is not required to move in a predesigned manner. The programme ended with a beautiful rendition of Kabir's song by the singer Saba. It was an informative and interactive session.
