

Exhibition in Japan

Students from classes I-V of DPS Gurgaon have been invited to participate in the Amakusa Pottery Fair Exhibition organised by RWYC Japan. They were asked to design plates featuring artwork that represents their country's culture, and to write a special message for the Japanese children. It is a meaningful and creative initiative, showcasing the participating students' cultural pride and artistic talent.

136 paintings created by our students have been sent to Amakusa, Japan to be exhibited from 01-05 Nov'24.
