Students of DPS, Sector-45, Gurugram set up 'Kinder Café'

The students of Delhi
Public School, Sector-
45, Gurugram, set up

a unique Kinder Café

on the school grounds as a part of the
Math Week celebrations. The students
confidently took charge of their little
cafe dressed as staff members. The
students enthusiastically went around
taking orders, placing them correctly,
serving the guests on their own. Dance
and song showcased by them was
appreciated by their indulgent
grandparents. The guests and the hosts
took back happy memories of their

day together. Through this activity, the students honed their computation skills while learning to take care of people around them.
