

DPS, Gurugram, conducts scholar badge ceremony on virtual platform

Delhi Public School (DPS), Sector 45, Gurugram, conducted the scholar badge ceremony for the students of Classes 7 and 8 on a virtual platform.

The ceremony applauded the resilience and persistence of the young scholars who did not allow the prevailing unusual Covid-19 times to be a hindrance to their academic excellence.

School director-principal Aditi Misra in her welcome address appreciated the efforts of teachers, parents and students for adapting to a changed scenario.

She reiterated the need to understand the value accorded to marks in the existing system. She also spoke of the importance of experiential learning as well as art integrated learning in today's world. The director-principal advised the children to embrace 21st century skills like effective communication, creativity, critical thinking and collaboration. A caring and compassionate mindset in her opinion is must to ensure people from all sections of society progress in life.

The students celebrated the power of nature through a musical rendi-
