

DPS, Gurugram conducts IUMUN e-Conference 2020

Delhi Public School, Sector 45, Gurugram, organised the fifth edition of the prestigious International Utopia Model United Nations (IUMUN) e-Conference on a virtual platform. That event was attended by over 200 students from 20 schools from India and UAE. The theme was 'Be Your Own Light' which sought to keep the spirit of hope alive in the hearts of one and all even in the middle of the ongoing Covid-19 pandemic. The school's director-principal Aditi Misra inaugurated the event and shared thoughts on the importance of keeping the spirit of perseverance and courage alive in these unprecedented times.

The conference had seven unique committees with agendas addressing international issues. While four committees focused on the UN to include UN General Assembly, UN Security Council, UN Human Rights Council and the UN Environment Programme, the others deliberated on the All India Political Parties Meet, the White House Situation Room and the African Union.

Misra congratulated the students and teachers for organising an event

The event sought to keep the spirit of hope alive during the ongoing Covid-19 pandemic period

of such magnitude on an online platform. The event, meticulously organised by the secretariat and the organising committees, lived up to everyone's expectations. The delegates took part in the event with full enthusiasm. They will now carry forward the same kind of passion to make the world a better place to live in.
