Delhi Public School (DPS), Sector 45, Gurugram, conducted the investiture ceremony for the students of Class 5 to instate the Junior School Council.

The event began with the national song followed by the school anthem. The leaders sang a song 'Together We Rise', elucidating the importance of holding onto hope and courage in difficult times. School director-principal Aditi Misra welcomed the parent representatives Sachin Chugh, Nidhi Vasishta and Mriganka Sekhar Sharma. She also extended a warm welcome to Vinnie Jauhari, learning & skills lead, Microsoft; Pankaj Rai, founder & managing director of India Cyber Learning, a global training partner of Microsoft; and Shital Rai.

Misra congratulated the newly appointed members of the student council. She was proud of those children whom she watched growing from toddlers to young leaders.

In her address, Misra expressed her gratitude to the parents for their constant support at every step and also thanked the Microsoft team for supporting the entire staff of DPS during the unusual times and helping them all to be successful Microsoft Certified Educators. The

parents hailed a mesmerizing dance performance presented by the young dancers, 'I Pledge', which generated awareness about sustainable development which is the need of the hour.

The junior school choir also presented a melodious song, highlighting how little deeds of kindness make Earth a happy place to live in.

The appointees were administered the oath of office and presented the badges with the hope that they would execute their responsibilities with utmost sincerity and dedication.

It was a proud moment for all the parents to see their children being invested as they embarked on their new journey as leaders.

Jauhari, Misra and the DPS team unraveled the MCE success story of DPS. She informed the audience that DPS Gurgaon has set a benchmark of being one of the finest Microsoft Showcase Schools and the case study would be shared at the worldwide forum with all schools as an example.
