A SALUTE TO OUR HEROES!

Not all heroes wear red cape. This fact has been rectified well! Heroes don't exhibit specific name or shape, life savior they are, is being taped.

Gratitude to all the heroes who have served themselves to us, like a warrior they pose from Covid-19 which is acting like Thanos.

They help calm people's fear, "We'll give cent percent", they swear. From doctors, co-workers to cops all are bravely performing their jobs!

Booing people's spirits nourishing their hopes. "Will be saving precious life", they explicit.

Weapons are prayers and stethoscopes. Real heroes are those who are helping without any cost, providing them help and food services, with moral support as frosting

Staying positive in worst time, wishing for negative reports, heroes are no less than sunshine. "We are there, no worries!" they exhort.
