Gurgaon: Of the 17,585 students in 300 schools in Gurgaon who appeared for the Class X CBSE boards, over 99% cleared the exams, whose results were declared on Tuesday. Since the formal exam did not take place this year because of Covid, no topper has been announced by the board, and the results of some students are still awaited.

Just like in the Class XII boards, whose results were declared last week, several students notched up near-perfect scores. Deepannita Mukherjee and Raghvi Gupta of Amity International School in Sector 46 scored 499 out of 500 (99.8%). Tanvi Jain from Blue Bells Public school too scored 99.8%.

The school recorded an average score of 92.13% (best of five), with 128 students out of 349 scoring above 95%. An elated Deepannita said the result was much better than she had expected and credited her success to her teachers and parents. She wants to pursue a career in mathematics research. "I was completely overwhelmed when the result was declared, as I didn't expect 499 marks. While there are many misconceptions that maths is one of the toughest subjects, I like it and want to conduct research in the subject," she said.

Raghvi too said she is ec-

static after the result. "I am very happy and would like to express gratitude towards my teachers, principal and my parents who have always stood with me. While the online classes are not equivalent to physical classes, my teachers were always there to help me," she said.

Schools like Amity International (sectors 43 and 46), Ryan International, DAV Public and Ajanta Public claimed they have recorded 100% pass percentage this time. Ayush Singh and Lavya Jain were

the highest scorers at Ryan International School with 99.6% (498 out of 500).

At Amity International School in Sector 43, Prince Mittal, Shreyash Raj, Anika Bali and Latika Gupta scored 99.6%. Principal Dr Anshu Arora said 66 students out of 141 scored above 95%.

"The 2020-21 academic year was unprecedented as the pandemic disrupted normal life and yet taught us many things. One of the most important things it taught us is to be ready to adapt to

any circumstance. I am extremely proud of my teachers and students for this stupendous result."

At Shiv Nadar School, topper Aditya Patnaik scored 99.4%. Similarly, Devang Rana emerged as the topper at Sector 31's Ajanta Public School with a 99% score.

At Delhi Public School in Sector 45, Vishnu Kant Chudhary and Nandini Chanana were the toppers with a score of 98.8%, while Saloni topped DAV Public School with a 99% score.

New Delhi: Keeping up with the national trend, the Class X pass percentage in Delhi government schools saw an increase to 97.5% after results were declared by Central Board of Secondary Education on Tuesday. The 2020 pass percentage was 82.6%. However, while the government schools were ahead of the private schools in the success rate in Class XII, the positions have changed and private schools did better than government schools in Class X.

In the 16 regions that CBSE has divided the country into and with regards to the performance of government schools in these regions, Delhi was at the 10th spot, ahead of Uttar Pradesh, Chandigarh, Dehradun, Noida and Guwahati. The pass percentage of girls in Delhi was above that of the boys at 98.9% against 97.4% for boys.

Regarding the performance of government schools in Class X, written exams for which couldn't be held due to the pandemic, Delhi chief minister Arvind Kejriwal tweeted in Hindi, "The pass percenta-

ge of Delhi government schools is 97.52%. 186 of our children have scored more than 95%." He congratulated the "students, parents and team education".

the basis of the board's final assessment. A total of 2,30,692 students sat for these school examinations.

Today Class X results are out. The pass percentage of Delhi government schools is 97.52%. 186 of our children have scored more than 95%. Many congratulations to the children, their parents and team education (sic)

Citing Kejriwal's tweet, Delhi deputy CM and education minister Manish Sisodia also tweeted in Hindi, "This is the result of Arvind Kejriwal (ji's) governance model, that Delhi government schools are setting an example in the country."

In the two regions in the city, the pass percentage of government schools in Delhi West (98.6%) was higher than in Delhi East (96.8%).

Last year too, the west region had recorded a better performance at 84.9% against 81.4% in the east, which had a bigger number of students.

While CBSE could not hold written exams due to Covid, 1,008 schools held different exams, which formed

re deemed not to have cleared the hurdle, while 5,419 were accorded compartmental results. Compartment result is declared when a student is unable to pass in one or two subjects.

This year, 750 schools recorded 100% results, an increase from 147 last year. Also, 186 students scored more than 95%. Further, the data released by Delhi government shows the average marks, calculated as Quality Index, had improved to 278.3 from 265.31 in 2020. The data highlights that since 2018 when the Class X board exams were reintroduced, the QI has steadily increased from 246.7 that year to 259.6 in 2019 and further to 278.3 this year.

New Delhi: After a slide in their Class X pass percentage last year, the private schools in Delhi recorded a larger number of their students clearing the hurdle this year.

In the two regions that Delhi is divided into, the success rate of private schools in Delhi East was 99.5% this year, up from 91.3% last year and in Delhi West, it went up from 89.1% last year to 99.6% this year.

When compared with their performance in CBSE's 14 other regions across India, private schools in Delhi did better than their counterparts in Guwahati, Prayagraj, Dehradun, Bhopal and Noida regions.

With the number of high scorers also spiking, private schools also had many students scoring top marks in the final assessment based on Class X school exams.

At Amity International School Saket, of the 126 students, 28 scored 95% or more, while 43 had scores between 90% and 95%. At KR Mangalam World School, GK-II, 44% of the students had aggregate marks higher than 90%.
