

# DELHI PUBLIC SCHOOL, GURGAON

## CLASSES III – V

### FOUNDER'S DAY CELEBRATIONS REPORT

**Success is nothing more than a few simple disciplines, practiced every day.**

To celebrate the 20<sup>th</sup> Founder's Day of our school, a special assembly and several activities were organized for students of classes III-V. The assembly marked the progression of our school since the day its foundation stones were laid to where it is today. The assembly also reiterated the motto of our school - 'Service Before Self', which is the driving force of all our actions and endeavours. A special video was shared with the students, which exhibited the experiences, dedication, ideologies and the overall journey of all the founder teachers, who have set out to be the pillars of the school. Following the path led by our Director Principal, Ms. Aditi Misra, persuading her ideas and principles, the entire DPS fraternity, along with the founder teachers have given our school the wings it needs to soar high. Many DPS alumni also shared their wonderful experiences and fond memories of their school days. They also shared their success stories and the impact school activities and programmes have had on their lives.

The activities planned for the students aimed at presenting the school from their perspective. Students of class III made birthday cards for the school with birthday wishes written on them using calligraphy. Students of class IV portrayed acts of selfless service, that modelled the school's motto. Students of class V used doodling to decorate letters of the alphabets making an entire sequence of wishing Happy Birthday to our dear DPS.

The assembly and activities provided a short glimpse of the journey of our school through all these years and also shared the ideologies and values the school upholds, which will continue to lead it to its success in future.
