CLASS ASSEMBLY
TOPIC- HEALTH IS WEALTH

“It is health that is real wealth and not pieces of gold and silver.”
- Mahatma Gandhi

Delhi Public School, Gurgaon celebrated International World Health Day on 7th April 2022. To mark the occasion and to spread awareness among the students, an assembly on the topic ‘Health is Wealth’ was conducted by the students of Class VI-C. The assembly started with the prayer that filled each heart with gratitude and humility. The students shared valuable information about health and hygiene through a poem on the topic ‘Health is Wealth’.

The Headmistress, Ms. Shalini Arora appreciated the students for their efforts. She welcomed all the students to the new session and wished them for the upcoming year.

The assembly concluded with a motivational video followed by the information related to the Atal Tinkering Lab. Children participated enthusiastically in the assembly and made it a great success.
