

## ASSEMBLY REPORT CLASS X

School assembly provides a great opportunity to develop a strong sense of community and imbibe values. It enables students to share their thoughts, stories and experiences.

The students of Class X presented an assembly on Monday, 31<sup>st</sup> January 2022, on the topic “A positive mind-set brings positive outcomes”. The positive thinker sees the invisible, feels the intangible and achieves the impossible.

The assembly commenced with a prayer followed by the thought for the day, news headlines, weather report, a poem and environment related issues and videos. Students shared their views on how positivity helps us to stay happy and contented. Class representatives also addressed the students on the same.
