

REPORT ON CLASS VII ASSEMBLY

New Beginnings, New Opportunities

"The future depends on what you do today."

- Mahatma Gandhi

New beginnings give us the chance to leave behind our past mistakes, fears, and doubts. They encourage us to start afresh with renewed energy and enthusiasm. Opportunities come in many forms—new subjects to explore, new skills to develop, and new goals to set. It is up to us to embrace these opportunities with determination and an open mind. The students of class VII A presented the assembly on the topic “New Beginnings, New Opportunities” on Tuesday, April 08, 2025 to welcome the students to a new academic year and remind them that every new day brings a fresh start to learn and grow.

The assembly began with a prayer led by Headmistress Middle School, Ms. Shaifali Bhatt, followed by an inspiring thought and news to keep everyone informed. The assembly also featured a skit and a poem by the students, embracing new beginnings. It provided students with valuable insights on how new beginnings bring fresh opportunities for growth and success. It encouraged everyone to embrace change with a positive mindset, take on new challenges, and strive for self-improvement.

Senior Student Council members, Sana Thakur and Parth Khatkar, highlighted the importance of embracing new beginnings as opportunities for growth, learning, and self-improvement. They emphasised how change, though sometimes challenging, opens doors to fresh possibilities and success. Through their speech, students were encouraged to face new experiences with confidence, set new goals, and make the most of the opportunities ahead. Their words served as a reminder that every fresh start is a step toward achieving our dreams.
