

## **ART EXHIBITION – JUNIOR SCHOOL**

*‘Art has the power to transform, to illuminate, to educate,  
inspire and motivate’*

Delhi Public School, Sector 45, Gurgaon, Junior School in keeping with its mission to promote art and artistic talent, organized a virtual art exhibition on 12<sup>th</sup> March 2021. It was an amalgamation of sand art, art canvas, canvas painting and many other forms of art.

The exhibition showcased beautiful art work curated by the students of classes III, IV and V under the guidance of their art teacher. The objective of the exhibition was to bring forth the innate skills and hone the creative genius of the students. The exhibition provided the right platform for the Junior School students to display the varied and beautiful drawings prepared by them throughout the academic year. The students worked really hard to produce some well-presented final art pieces for the exhibition. All the drawings on display were the handiwork of the students. The special attraction was the live Sand Art which represented the pre-covid and post-covid life. The audience was visibly impressed by the scores of bright, colourful drawings. It was a feast for the eyes.

Director Principal, Ms. Aditi Misra appreciated the efforts of the students and mentioned that every child is unique, so the work of every child counts. Art therefore is the best medium for celebrating this uniqueness. She encouraged the students to set higher aims in life and remarked that such exhibitions motivate and instill the confidence in the young minds to think as artists, designers, and innovators.
