

REPORT - CLASS ASSEMBLY

Virtual assembly has now become a platform for being digitally creative to express ideas and thoughts with each other. Virtual assemblies are fun, interactive, and tailored to the level and interests of our students.

The theme for this week's assembly conducted on 6th August 2021 was 'Know India - Quit India Movement'. The Quit India Movement was a movement launched at the Bombay session of the All India Congress Committee by Mahatma Gandhi on 8th August 1942, during World War II, demanding an end to British rule in India. This was a 'Do or Die' call to force the British to leave India. It is often considered to be a turning point in India's struggle for freedom from the British Raj. The movement saw people across India come together under the leadership of Mahatma Gandhi to uproot the Britishers.

The assembly started with an inspiring prayer by Rabindranath Tagore, that filled the heart and mind with gratitude and humility. 'Thought for the Day' and poems, composed and presented by the students, generated feelings of patriotism. DPS news was shared by students to keep everyone informed, updated and connected to the school. The weather report was followed by the concluding thoughts on the theme of the assembly.

Children participated enthusiastically in the assembly and made it a great success. The knowledge gained from this assembly will go a long way in making these young minds aware of the historic past of India. It reminds the young generation of all the sacrifices the freedom fighters made to secure the country's future.
