

REPORT - CLASS ASSEMBLY

Virtual assembly has now become a platform for being digitally creative to express ideas and thoughts with each other. Virtual assemblies are fun, interactive, and tailored to the level and interests of our students.

The theme for this week's assembly held on 23rd December 2021 was 'Christmas'. Christmas is celebrated on 25th December every year. People from different communities celebrate it with great fervour and enthusiasm.

A Christmas tree is a pine tree which is decorated with lights, artificial stars, flowers, toys and bells. Kids are especially enthusiastic about Christmas as they expect Santa Claus to visit them and bring gifts.

The assembly started with a wonderful prayer that filled the hearts and minds with gratitude and humility. 'Thought for the day' and poems, composed and presented by the students, arose inspiration. DPS news was shared by students to keep everyone informed, updated and connected to the school. The weather report was followed by the concluding thoughts on the theme of the assembly.

The cheer of Christmas was celebrated with great excitement and zeal in the online classes. The enthusiastic students melodiously sang a variety of Christmas carols, spreading the message of love, happiness and joy.

The knowledge gained from this assembly will help students understand the importance and significance of Christmas and joy of giving.
