

REPORT CLASS ASSEMBLY

“No amount of money or the success can take the place of time spent with your family.”

An assembly has the potential to nurture and maintain a positive, healthy school culture which binds everyone together. The students of Class IX presented an assembly on Wednesday, 31st May 2023, on the topic ‘Heart's Bliss : Family Time’.

The assembly commenced with a prayer followed by the thought of the day, DPS news, sports news, weather report and a talk on importance of family. The students discussed that Family is important as it offers us support, security and unconditional love. Family boosts our confidence and makes us feel loved. It is the pillar that keeps us strong. In our family, we learn the important values such as love, respect, faith and hope. The assembly concluded with the motivating words shared by the respective class teachers who further spoke about Family. Good Reader Badges were also given to the students at the end of the assembly.
