

ASSEMBLY REPORT – CLASS XI

Dated: 11th May 2023

‘One small positive thought can change your whole day ‘.

An assembly on the topic ‘Power of positivity’ was presented on 11th May 2023 in the Enrichment slot by the students of Class XI. The assembly started with a prayer which was followed by the thought for the day. Students explained how positive thinking helps in managing stress and solving problems. Some students also narrated their personal experiences as to how a positive attitude helped them to overcome disappointment, tensions and worries. The assembly ended with a short poem which was liked by all. Overall, the assembly was an enriching and meaningful start to the day.
