

REPORT - CLASS ASSEMBLY

‘Every choice we make can be a celebration of the world we want.’

A special assembly was conducted on 29th October 2021 in the Middle School to reinforce the idea of celebrating an eco-friendly Diwali.

The assembly began with a prayer. The students presented colourful presentations and expressed their ideas using poems and videos. The importance of the festival was discussed. Thereafter, students shared ideas on how they can make this year's Diwali a special one and at the same time celebrating it in an eco-friendly manner. The assembly culminated with an inspirational video made by the students of Middle School, depicting a nukkad naatak to celebrate an eco-friendly Diwali.
