Ageing with Dignity**

NURSERY

The rich and vibrant festivals of India are a testimony to our diverse tradition and culture. Festivals bring people closer and create a strong bond amongst them. The little ones of Nursery presented a grand show "Celebrating Togetherness" on Festive India for their grandparents. The programme started with a prayer and a song. It came alive with energetic performances by the students who portrayed each character with finesse. Their colourful costumes and props added life to the characters they played. The grandparents appreciated the show and were happy to see the performance of their grandchildren. The students also made take away crafts for their grandparents as a token of love.

PREP

The children of Prep played host to their grandparents as they invited their favourite people to their cafe *Kindercafe*. The tiny tots took orders and served with confidence at the cafe. It was a special day, an apt celebration of this wonderful relation, where they used their mathematical knowledge while learning life skills hands-on. They welcomed them with a beautiful song and a quirky dance. All the grandparents had a lovely time as they re-lived their childhood moments and left with a sense of pride and appreciation for the special event held for them.

CLASS 1

Grandparents hold a special place in the heart of their grandchildren. Celebrating this beautiful bond, a special day was dedicated to them. The children presented a melodious song to welcome them and performed a skit. The pride and joy felt by the grandparents was evident as they shared their experience of this special day .

CLASS 2

The beautiful bond of love and care was depicted by our little ones in the form of a skit 'Eidgah'. The tapestry of emotions moved the grandparents immensely. The 'Katputli' dance by our talented girls lifted everyone's spirits. Grandparents expressed their views and lovingly blessed all the children.
