

## **Assembly Report: Class- X**

### **Let's Be Food Heroes: Stop Wasting, Start sharing!**

**‘Food and Agriculture Organisation (FAO) - Approximately one-third of all food produced for human consumption is wasted every year. This wastage not only squanders valuable resources but also exacerbates hunger, strains the environment, and contributes to climate change.’**

The assembly is a platform to showcase the talents of children. The assembly commenced with the thought of the day emphasising on the necessity of no wastage of food and stressing on sharing of food.

News both national and international was read out by the students. The school news was also shared.

It is said that the people who love food are very interesting and full of life. An engaging skit was showcased by the students conveying the important message about sharing foods and not wasting any of it.

The assembly culminated with a rap song dedicated to the theme and it mesmerised and awakened the soul and conscience of the students.

As junior ambassadors of UN, the children took the pledge that they will motivate other students and evolve towards sustainable development.
