

ASSEMBLY REPORT- CLASS XI

Dated: 15th July 2021

"People are just as happy as they make up their minds to be."

-Abraham Lincoln

The students of Class XI of DPS, Sector 45, Gurgaon, conducted an assembly on the topic, "Happiness can be found even in the most difficult times. Choose to be happy." The theme was beautifully illustrated by a power point presentation.

The students got a chance to learn about the true nature of happiness and explored the various possibilities that could create happiness. This was enunciated through a poem recitation on the ups and downs of life. The idea was further expanded via a motivational story which engendered a sense of collective joy and inspiration among all of them. It was concluded that, happiness is not something that you can find, rather it is the realization that no matter where you are at present, it is the best place that you could possibly be in. The assembly was graced by a speech from Hon'ble Director Principal, Ms Aditi Misra. The list of school appointees for the Vice Student Council was also announced on the occasion.
