

Assembly Report – Class X

The students of class X presented an assembly on the topic 'Patience and Perseverance' on 9th April, 2021 on zoom platform. The assembly commenced with a beautiful thought,.Students were made aware of the importance of the virtues in their lives through a power point presentation. Some students also shared positive thoughts and inspirational quotes of famous personalities.

The assembly was attended by the Director Principal, Vice Principal , Dean of student welfare, Head mistress (senior school), Deputy Dean and senior mistress ma'am.

The assembly concluded with Director Principal Aditi Misra ma'am's address wherein she applauded the students for such a thought provoking assembly in these unusual times. The importance of gratitude, of being adaptive, of being cautious during the time of covid was highlighted. The queries of students related to offline classes too were addressed by Ma'am. Last but not the least, ma'am assured the students that whatever decision would be taken related to exams as well as their classes would always be for their betterment and in their favour.
