

REPORT ON ASSEMBLY – BE THE CHANGE YOU WANT TO SEE

“Everyone thinks of changing the world, but no one thinks of changing himself.”

-Leo Tolstoy

A class assembly “**Be the Change You Want to see**” was conducted in all classes of middle school on Tuesday 28th March 2023. It reiterated the fact that the students should set an example by changing themselves first and then inspiring others to do the same. It takes a collective effort to change the world.

The assembly started with a prayer and a beautiful thought. Students were made aware about the things they can do as individuals in order to save our planet earth. Students read out a poem to reaffirm the thought that we can be the change makers.

The assembly culminated with a motivational thought by Barack Obama that “Change will not come if we wait for some other person or some other time. We are the ones we have been waiting for. We are the change that we seek.”
