ASSEMBLY: CLASS – IX
Good Values Build Character

Your beliefs become your thoughts, your thoughts become your words, your words become your actions, your actions become your habits, your habits become your values, your values become your destiny. -Mahatma Gandhi

on 11th October 2023, the students of grade IX presented an enlightening assembly on the topic- ‘Good Values Build Character’ to highlight the importance of good values like sincerity, respect and cooperation etc. The assembly commenced with a prayer followed by the thought for the day. To keep abreast with the latest events around the globe, the national and the international news highlights were shared. The students also updated their classmates about the school news. The theme of the assembly was very well presented through self-composed poems and skits in which they emphasised on the significant role of good values in building a strong character. Through short role plays and skits, they also displayed how our character decides our future.

The assembly provided food for thought and self-reflection. It urged them to become better human beings by being empathetic and responsible individuals. The assembly inspired them to embrace and nurture good values in their lives so that they become better versions of themselves.
