

CLASS IX
ASSEMBLY REPORT

*“Gratitude makes sense of your past, brings peace for today,
and creates a vision for tomorrow”.*

Melody Beattie

School assembly provides an opportunity for students to consider spiritual and moral issues, develop community spirit and reinforce positive attitudes. It allows them to develop their confidence by speaking up and sharing their ideas.

The students of Class IX presented an assembly on Friday, 23rd December 2022 on the topic ‘Power of Gratitude’. They emphasised the importance of expressing gratitude and how it brings happiness, which eventually helps an individual to prosper and progress in life.

The assembly commenced with a prayer followed by the thought for the day, news headlines, weather reports, and a write-up and poem on gratitude, as a powerful emotion. Students also discussed the various ways of expressing gratitude in our day-to-day life.
