

## **REPORT- BAGLESS DAY 2.0**

*“Creativity is seeing what others see and thinking what no one else ever thought.”*

- Albert Einstein

Delhi Public School, Gurgaon organised a Bagless Day 2.0 for the students of middle school on 13 May 2023. Theatre is the art of looking at ourselves and the middle school students seized the opportunity of the same by delving deep in theatre through puppetry. Across various disciplines, the use of puppets fostered the students' creativity and imagination. The modus operandi instilled in students' creativity, imagination and the right amalgam of knowledge and learning.

The enthusiastic learners used their artistic skills to create finger puppets using discarded material. Further, the students learned mathematical properties with a pinch of creativity by making puppets of various geometrical shapes. To hone their language and enhance their ingenuity, the students wrote dialogues and enacted the same making use of voice modulation, facial expressions and clarity of speech. The young artists also drafted an advertisement advocating the use of herbal products. The budding stars weaved the history of puppets in India in their innovative ways. The use of finger puppets to analyze shadows and their patterns instilled in the students scientific knowledge. Finally, the amalgam of artificial intelligence and art fostered in students the will to explore new things.

The bagless day was a joyous experience blending the theoretical and practical knowledge of the students.
