Back to School: Behavioural Expectations

“Hard work may take you to the top, but it’s wisdom and good behaviour that will keep you at the top.”

On 28th of July'2022, the peer educators of class XI, conducted an interactive session on the topic ‘Back to School: Behavioural Expectations’ for the students of class IX. During the course of the session, Peer educators talked about the importance of getting back to the pre pandemic routine with an emphasis on fostering friendships, harmony and trust which is important for maintaining a healthy school life. The school’s zero tolerance policy for bullying was also emphasized and its long-term effects were discussed. The acronym ‘SOAR’ was used to explain the importance of appropriate behaviour.

S - Safety / Health

O – Open your Hearts

A – Always Respect

R - Responsibility

‘Behaviour is the mirror in which everyone shows their image’, was a message that was highlighted throughout the session. The conducted session was interactive with students participating enthusiastically. Overall, the session was well conducted and very well received by class IX students.
