

## BAGLESS DAY – HAPPY DAY

‘Creativity is an active mind and a disciplined eye.’

In view of the National Education Policy 2020, Delhi Public School, Gurgaon conducted ‘Bagless Day- Happy Day’ for the students of class III on Thursday, 20th July 2023. The bagless day in school not only provides a platform to encourage students to participate in extra-curricular activities but also is an attempt to provide a different module of learning for better performance and to retain the freshness in learning. The fun-filled and engaging activities focused on developing creative, listening and fine motor skills of the students.

The students enjoyed ‘Clay Modelling Activity’ wherein they made small figures of animals using the moulds and colouring the same. The activity was helpful in unleashing the creativity of the students as they turned the ordinary moulds into fine work of art. This was followed by a fun-filled music and dance session as music accompanied with dance is said to develop high order thinking and social skills. In order to inculcate culinary skills, students made ‘Chick Pea Salad’ and relished with their friends. To lay the foundation for strong reading and writing skills, a Storytelling session with puppets was also organised for the students. Last but not the least, a bagful of sport activities was the icing on the cake for the young enthusiasts on this bagless day. They enjoyed themselves immensely.

It was a day well spent with smiles and laughter that nurtured their creativity and talent simultaneously, promoting the artistic bent of mind amongst young artists.
