

Report on session by Abhishek Gupta

Mr Abhishek Gupta the CEO and founder of High School Moms & INACE, and an alum of University of California, along with Ms Avni Pareek took the enriching session for the students of class IX on 21.09.23, Thursday.

The session began with the highlight on world's renowned universities. Mr Gupta emphasised on the required features of building a strong profile in sync with the fast changing admission criteria of the indigenous as well as foreign universities.

The importance of maintaining a fair consistent academic record was explained. He also suggested that it's important to appear and clear SAT as it will exempt them from appearing in the entrance exams of almost fifty varied courses in renowned universities in India.

The students were apprised of some of new futuristic careers, like Forensic Psychology and the combination of subjects required for that.

The concepts of Breadth profile, Depth profile and Interesting profile were explained to the students in a detailed yet simple way.

The session was concluded with resolving the doubts and queries posed by the students.

The students thoroughly enjoyed the informative and interesting session and got valuable inputs which will greatly help them in planning their future in a better way.
