

## Report on Children's Day 2022-23

**‘Every child is a different kind of flower, and all together, they make this world a beautiful garden.’**

Children's Day is celebrated every year in India on 14th November, to commemorate the birth anniversary of India's first Prime Minister Pandit Jawahar Lal Nehru. He was fondly known as **‘Chacha Nehru’** among children.

The children of Junior School celebrated Children's Day with great exhilaration and zeal. To make the day more fun-filled and memorable, a bagless day was planned for them. A dance party was organized for the students in their respective classes where they danced their hearts out and shared priceless moments of eating, laughing and being together. The children also enjoyed the delectable chocolates distributed to them. Engaging book week activities were also conducted for the students. They were in for a surprise when one by one teachers moved into the classes to enthrall them with magic tricks, dumb charades and games like Ad Mad world. The teachers were pleased to see the children beaming with joy. To add to the fun a trip to a movie theatre for classes IV & V was also organized where they enjoyed watching the movie ‘Lyle, Lyle, Crocodile’ and relished Popcorn and Pepsi with it. After two years of celebrating this blissful day in online mode, children and teachers had an opportunity this year to celebrate it with each other and strengthen their bond of love and respect.
